It's easy to complain about advertisements. But which ones?

Every week millions of advertisements appear in print, on posters or in the cinemaker of him comply with the rules constanted in the Brainh Code of Advertising Practice.

By one of them break the rules and warrant year complaints.

By our ends ture about which ones they are, however, drops us a line and well tendy our and might gold copy of the Adversing Code of Them, disn advertisement.

The Advertising Standards Authority.

If an advertisement is wrong, were here to put it r
